

The Hollow Tree Snowed In Book Albert Bigelow Paine

**Once upon a time, in the Big Deep Woods, there was a big hollow tree with three hollow branches. The tree animals living in each of these hollow branches have many stories and they are told by the Story Teller to the Little Lady. Lots of good fun and adventures here. This book follows the first that explains how this marvelous Deep Woods, when it snows heavily, harbors so many quirky and interesting characters. - Summary by Phil Chenevert**
